

B.S. – Bachelor of Science in Communication Sciences & Disorders**Minimum Total Hours for Degree: 124**

Description: The B.S. in Communication Sciences and Disorders is a pre-professional degree that prepares students to pursue a graduate degree in communication sciences and disorders. The graduate degree is required for work in the field of communication sciences and disorders (speech- language pathology and audiology).

Degree Requirements: The degree consists of 35 hours of general education courses, 18 hours of additional support courses for Communication Sciences and Disorders, 36 hours of professional CSD core courses, 18-21 hours in a selected minor, and general electives to bring the total minimum number of hours to 124.

General Education Requirements: The general education courses that the School of Applied Sciences requires for all degree programs are listed below.

Course Area	Hours	To be selected from:	Hours: 35
First Year Composition	6	Either Writ 100, 101 or Hon 101 and either Writ 102, Hon 102, or Liba 102	
English Literature Survey	3	Eng 221, 222, 223, 224, 225, OR 226	
Fine Art	3	Chosen from: Art History 101, 102, 201, or 202; Liba 130; Music 101, 102, 103, 104, or 105; Dance 200 or Theatre 201 or 202	
Additional Fine Art or Humanities	3	CSD students will use lower level Modern or Ancient languages here. (101, 102, 111, or 121)	
Introduction to Sociology	3	Soc 101	
Introduction to Psychology	3	Psy 201	
Mathematics	3	Math 121 or more advanced	
Statistics	3	Math 115, Econ 230, Bus 230, Psy 202, or CSD 202	
Human Biology w/ Lab	4	Bisc 102/103, 160/161, or 206	
Additional Biology w/ Lab	4	Biology 104/105, 162/163, or 207.	

Additional Support Courses:

Writ 250	3	Advanced Composition	
History	6	Any history course	
Modern or Ancient Language (200+ Level)	6	Usually same language as above	
Physical Science	3	Chosen from Astronomy, Chemistry, Geology, OR Physics Students who wish to pursue the master's degree in Speech-Language-Pathology or Audiology and certification from the American Speech-Language-Hearing Association in these fields must take either a physics or chemistry course within the area of Physical Sciences.	

Course Requirements for Major: A major in Communication Sciences & Disorders for the B.S. degree consists of 36 hours in the professional core. A minimum GPA of 2.75 is required in core courses.

Course	Hours	Course Title	Hours: 36
CSD 201	3	Introduction to Communicative Disorders	
CSD 205	3	Anatomy and Physiology of the Speech and Hearing Mechanisms	
CSD 211	3	Introduction to Phonology	
CSD 216	3	Normal Development Of Communication	
CSD 301	3	Disorders of Articulation	
CSD 316	3	Language & Learning Disorders	
CSD 351	3	Basic Audiology	
CSD 356	3	Principles of Auditory (Re)Habilitation	
CSD 405	3	Fluency and Voice Disorders	
CSD 495	3	Introduction to Clinical Science	
CSD Electives	6	Choose from CSD Courses	

Minor Requirements: All CSD majors must complete a minor.

College Requirements: At least 124 semester hours with passing grades must be completed for any School of Applied Sciences degree. At least one-third of the hours (42 hours) applied toward a degree must be at or above the 300-level. Each senior must apply for a degree by returning a completed Letter of Intent to Graduate Form to the dean's office by the appropriate deadline. Refer to School of Applied Sciences **BPS Degree Requirements** section in this catalog for all School rules associated with the B.S. degree.

University Graduation Requirements: An overall 2.0 GPA is required on all work attempted at UM, all college work attempted at any institution of higher learning (UM and transfer work), and all coursework submitted toward the degree. At least 25% of the hours required for an undergraduate degree must be taken in residence, with at least 15 of the last 21 credit hours completed at UM. In addition, at least 30 semester hours of residence credit must be taken in the school or college recommending the degree. The limit on the acceptance of credit from a junior or community college is one-half the total requirements for graduation in a given curriculum. Refer to the **Undergraduate Academic Regulations** section in this catalog for all university rules associated with degree requirements.
