College Requirements: At least 120 semester hours with passing grades must be completed for any School of Applied Sciences degree. At least one-third of the hours (40 hours) applied toward a degree must be at or above the 300-level. Each senior must apply for a degree by returning a completed Letter of Intent to Graduate Form to the dean's office by the appropriate deadline. Refer to School of Applied Sciences **BS Degree**Requirements section in this catalog for all School rules associated with the B.S. degree.

University Graduation Requirements: An overall 2.0 GPA is required on all work attempted at UM, all college work attempted at any institution of higher learning (UM and transfer work), and all coursework submitted toward the degree. At least 25% of the hours required for an undergraduate degree must be taken in residence, with at least 15 of the last 21 credit hours completed at UM. In addition, at least 30 semester hours of residence credit must be taken in the school or college recommending the degree. The limit on the acceptance of credit from a junior or community college is one-half the total requirements for graduation in a given curriculum. Refer to the **Undergraduate Academic Regulations** section in this catalog for all university rules associated with degree requirements.
