

## APPEAL FOR LATE COURSE WITHDRAWAL

## Please read the UM policy regarding late course withdrawals:

Late Withdrawal from a Course - After the course withdrawal deadline, a student may drop a course only in cases of extreme and unavoidable emergency as determined by the student's academic dean. *Unacceptable reasons for late withdrawal include dissatisfaction over an expected grade or a change in a student's degree program or major.* In no case may a class be dropped after the last regular class day in any semester, session, or term.

Courses dropped after the course withdrawal deadline will still appear on the student's official transcript. The W mark will be recorded if the student is passing the course at the time of withdrawal; the F grade will be recorded if the student is failing.

**Please note:** If dropping this course drops you below 12 credit hours, it will change your status to part-time student rather than full-time, which may affect things like financial aid and scholarships.

Your signature below acknowledges that you have read and understand the above information, that you still request a late withdrawal, and that you can provide documentation for one of the reasons listed below.

## Please check the reason for your request:

Medical reason (attach documentation from your doctor)

Have never attended the class or stopped attending after the first week (attach memo from instructor verifying your last date of attendance or that you never attended)
